INSTRUCTIONS FOR USE

This form is to be used to provide notice of a change in address of a party or to substitute a party whose water right was recommended in a director's report. *The filing of Standard Form 3 cannot result in a contested matter and a hearing will not be scheduled.* If completed as directed, the form will be accepted by the court and no further orders will issue. Standard Form 3 shall not operate to excuse compliance with the statutory requirements of I.C. § 42-1409(7) (1986) where a water right recommendation is not before the court.

This form has been adopted by the court in Re SRBA, Twin Falls County Case 39576, *SRBA Administrative Order 1 Rules of Procedure* (amended 6/21/93), Section 4Ac(3), which may be consulted for further information.

A party may copy or reproduce the standard form. The text of the form must be on the front and back of each page, exactly as it appears here. Follow the instructions on the form or it will not be accepted for filing. The Verification and the Certificate of Mailing must be completed.

Standard forms may be obtained from the Idaho Department of Water Resources or the SRBA Court.

CHANGE IN ADDRESS

You must use this form to advise the court and parties of any change in your address during the pendency of the SRBA.

You must provide a copy of the completed form to each party or if the party is represented by an attorney you must serve the attorney in every subcase in which you are a party.

No hearing will be held and no further order will issue from this court.

This form may only be used if a water right number is included as a "recommendation" in a director's report. *This form cannot be used for water rights that are not in a director's report or when portions of a water right are involved (i.e., where a water right is split).* You must use this form to substitute a new party into the SRBA.

You are to provide a copy of the completed form to every party in each subcase in which the new party is to be substituted. If the party is represented by an attorney you must serve the attorney. Because this is a "consent" form, it is a stipulation that there is no disagreement between the prior claimant/seller and the new claimant/purchaser that the prior claimant/seller has transferred all interests in the water right. No hearing will be held and no further order will issue.

"Prior claimant/seller" means any person who, pursuant to I.C. §§ 42-1409(2), (3) and (6) (1986), filed a notice of claim asserting the right to the use of water or on whose behalf the

right to the use of water was asserted. "New claimant/purchaser" means any successor in interest of the "prior claimant/seller," whether the interest is acquired by purchase, gift, inheritance or other means.

A *Consent to Substitution of Party (Substitution)* must be signed by the prior claimant/seller and the new claimant/purchaser. The Substitution shall be filed by the new claimant/purchaser.
