On July 2, 1998, the Idaho Department of Water Resources filed an *Amended Director's Report* recommending that water right claim 36-08047 be split and decreed as 36-08047A and 36-08047B. No objection was filed to this *Amended Director's Report* and the time for filing objections has expired.

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water rights to you. The department has modified its records to reflect the changes in ownership and has enclosed computer-generated reports for your records.

Your original request for ownership change included water right 36-10332. Our records indicate this is not part of the land included in the legal description that you provided. A refund for the \$25.00 filing fee that you paid for this is being requested by copy of this letter to our Fiscal Section.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,
