A hand-drawn diagram on a grid. The grid has solid lines every 4 units and dashed lines every 2 units. The diagram includes the following elements:

- The text "T R I S E" is written in the upper left quadrant, with "T" and "S" stacked vertically.
- A circular area is drawn in the center-right, with a radius of 2 units. It is divided into four quadrants by a vertical and a horizontal line, each containing the number "32".
- A smaller, semi-circular area is drawn below the main circle, also containing the number "32".
- The text "Well" is written near the bottom of the main circle.
- The number "16" is written to the right of the main circle.
- The number "21" is written below the semi-circular area.

That no one will be injured by such change, and that such change will be made at permit holder's own risk.

Dear Mr. Orth:

One of the conditions of approval of your water Permit No. 36-7386 (see last page of your approved permit) was that evidence of the extent of development be submitted as proof of application of water to beneficial use to this office on or before November 1, 1978. Enclosed is an affidavit form which must be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted.

Either the beneficial use affidavit or a request for an extension of time must be received by this Department on or before the above mentioned date, otherwise, the permit will lapse and be of no further force or effect.
