Gentlemen:

We acknowledge receipt of the affidavits submitted as proof of beneficial use for the above referenced permits.

Before a license can be issued for these permits, field examinations must be made by a representative of this Department. We cannot tell during which part of the irrigation season these examinations will be made, but our examiner will try to contact you at the time he makes the exams so that you may show him the systems.

If you have any questions concerning the field exams, please contact our Southern District Office in Twin Falls.

Sincerely,
