Re: Claims to Water Rights

Gentlemen: Returned herewith are claims to water rights filed in the name of the City of Jerome, together with your check #4023 for \$120.00 and check #3976 for \$30.00.

The claims are in form for receipt and processing except for the claim on Well #1 which lacks the notary publics signature.

The \$120.00 check is sufficient to cover filing fees for the claims.

We are not certain what the \$30.00 check issued March 16, 1983 is for.

Please have the well #1 claim notarized and return the four claims to this office with \$120.00 filing fee and we will process the claims.

If you have questions concerning this matter, please feel free to contact this office.

Very truly yours,

Loren O. Holmes

RE: TRANSFER APP. NO.S 3713, 3714 & 3715/CITY OF JEROME

=====

Each transfer above changes the location of the point of diversion for three separate rights. Transfer no.s 3714 and 3715 actually refer to statutory claims. The two claims and one licensed right will all have the same POD legal description after the requested changes. Based on comments on the transfer application though, there may be more than one city well at this location.

The transfer applications may be approved. Transfer no. 3713 may be approved without conditions. Transfer no.s 3714 and 3715 should contain the following condition:

1. Approval of this transfer in no way confirms the right claimed.
