*** COLLECTION OF TAXES ***

NOTE: A 2% PENALTY IS CHARGED ON LATE PAYMENTS MADE BETWEEN DECEMBER 21 AND DECEMBER 31. BEGINNING JANUARY 1, INTEREST ON THE DELINQUENT TAX AND PENALTY IS CALCULATED AT THE RATE OF 1% PER MONTH ON THE DELINQUENT TAX AND PENALTY.

Payment of a tax delinquency.

When a tax becomes delinquent, payments are posted to the roll and applied to costs, interest, penalty and delinquent tax in the proportion each bears to the total amount due.

See IDAHO CODE 63-1119.

Filing of material by mail. Date effective.

A post office cancellation is considered the filing date. A postage meter is not an acceptable post office cancellation mark.

See IDAHO CODE 63-2221.

Effect of failure to receive notice.

If you do not receive a tax notice on property, this does not excuse the penalty and interest for non-payment.

REAL PROPERTY

All taxes extended on the real property assessment roll or subsequent real roll are payable on or before December 20. The taxes may be paid in two equal halves. If the first half is not paid on or before December 20, that half becomes delinquent and a 2% penalty must be added. Interest on the delinquent tax and penalty is calculated at the rate of 1% per month beginning January 1 of the following year. If the first half tax has been paid in part, penalty and interest are calculated on the remaining first half tax. If the second half is not paid on or before June 20, that half becomes delinquent and a 2% penalty must be added. Interest on the delinquent tax and penalty is calculated at the rate of 1% per month beginning January 1 of that year. If the second half tax has been paid in part, penalty and interest are calculated on the remaining tax.

See IDAHO CODE 63-1102.

PERSONAL PROPERTY or MANUFACTURED HOUSING

All taxes shown on the personal property, manufactured housing, or subsequent assessment rolls are due and payable on demand. If no demand is made, the taxes may be paid in two equal halves. The first half is due and payable on or before December 20, and the second half is due and payable on or before June 20 of the following year. If the first half is not paid on or before December 20, that half becomes delinquent and the **entire tax becomes due and payable**. A 2% penalty must be added to the delinquent half. Interest is calculated at the rate of 1% per month beginning January 1 of the following year on the delinquent half and penalty. If the first half was paid in part, penalty and interest are calculated on the unpaid portion of the first half. If the second half is not paid on or before June 20, that half becomes delinquent and a 2% penalty must be added. Interest on the delinquent tax and penalty is calculated at the rate of 1% per month beginning January 1 of that year. If the second half has been paid in part, penalty and interest are calculated on the remaining tax.

The county tax collector may issue a demand for payment on any personal, manufactured housing, or subsequent tax which becomes due and payable on the demand date. If the tax is not paid, it becomes delinquent the day following the demand date.

When any part of a tax becomes delinquent, a **warrant of distraint** is issued to the county sheriff for its collection.

Before the tax becomes delinquent, the board of county commissioners may grant up to a four month extension to pay the tax, penalty and interest. A warrant of distraint is not issued until the extended time expires. There are **no extensions given on the second half**.

See IDAHO CODE 63-1302 through 63-1308, 63-307A.

TRANSIENT PERSONAL PROPERTY

Taxes on transient personal property are due in full on demand. If no demand is made, the taxes are due and payable on or before December 20. If the tax is not paid on or before December 20 or the demand date, the full tax becomes delinquent and a 2% penalty must be added. Interest on the delinquent tax and penalty is calculated at the rate of 1% per month beginning January 1 of the following year. If the tax has been paid in part, penalty and interest are calculated on the remaining tax.

When any part of a tax becomes delinquent, a **warrant of distraint** is issued to the county sheriff for its collection.

See IDAHO CODE 63-1401 through 63-1413.

OCCUPANCY TAX

Occupancy tax is due and payable according to the same schedule as manufactured housing, or real property, whichever is applicable.

See IDAHO CODE 63-3901 through 63-3912.

When any part of the tax becomes delinquent, the tax may be collected in the same manner as tax is collected for manufactured homes or real property, whichever is applicable.

If the first half tax has been paid in part, penalty and interest are calculated on the remaining first half tax. If the second half is not paid on or before June 20, that half becomes delinquent and a 2% penalty must be added. Interest on the delinquent tax and penalty is calculated at the rate of 1% per month beginning January 1 of that year. If the second half tax has been paid in part, penalty and interest are calculated on the remaining tax.

See IDAHO CODE 63-1102.

PERSONAL PROPERTY or MANUFACTURED HOUSING

All taxes shown on the personal property, manufactured housing, or subsequent assessment rolls are due and payable on demand. If no demand is made, the taxes may be paid in two equal halves. The first half is due and payable on or before December 20, and the second half is due and payable on or before June 20 of the following year. If the first half is not paid on or before December 20, that half becomes delinquent and the **entire tax becomes due and payable**. A 2% penalty must be added to the delinquent half. Interest is calculated at the rate of 1% per month beginning January 1 of the following year on the delinquent half and penalty. If the first half was paid in part, penalty and interest are calculated on the unpaid portion of the first half. If the second half is not paid on or before June 20, that half becomes delinquent and a 2% penalty must be added. Interest on the delinquent tax and penalty is calculated at the rate of 1% per month beginning January 1 of that year. If the second half has been paid in part, penalty and interest are calculated on the remaining tax.

The county tax collector may issue a demand for payment on any personal, manufactured housing, or subsequent tax which becomes due and payable on the demand date. If the tax is not paid, it becomes delinquent the day following the demand date.

When any part of a tax becomes delinquent, a **warrant of distraint is issued** to the county sheriff for its collection.

Before the tax becomes delinquent, the board of county commissioners may grant up to a four month extension to pay the tax, penalty and interest. A warrant of distraint is not issued until the extended time expires. There are **no extensions given on the second half**.

See IDAHO CODE 63-1302 through 63-1308, 63-307A.

TRANSIENT PERSONAL PROPERTY

Taxes on transient personal property are due in full on demand. If no demand is made, the taxes are due and payable on or before December 20. If the tax is not paid on or before December 20 or the demand date, the full tax becomes delinquent and a 2% penalty must be added. Interest on the delinquent tax and penalty is calculated at the rate of 1% per month beginning January 1 of the following year. If the tax has been paid in part, penalty and interest are calculated on the remaining tax.

When any part of a tax becomes delinquent, a **warrant of distraint is issued** to the county sheriff for its collection.

See IDAHO CODE 63-1401 through 63-1413.

OCCUPANCY TAX

Occupancy tax is due and payable according to the same schedule as manufactured housing, or real property, whichever is applicable.

See IDAHO CODE 63-3901 through 63-3912.

Responding to Preliminary Orders Issued by the Idaho Department of Water Resources

The Idaho Department of Water Resources (Department) issues water right permits, licenses, and transfers as preliminary orders pursuant to section 67-5243, Idaho Code. A preliminary order can and will become a final order without further action of the department unless a party petitions for reconsideration or files an exception and/or brief as further described below:

PETITION FOR RECONSIDERATION

Any party may file a petition for reconsideration of a preliminary order with the Department within fourteen (14) days of the service date of the order. The Department will act on a petition for reconsideration within twenty-one (21) days of its receipt, or the petition will be considered denied by operation of law. See section 67-5243(3), Idaho Code.

EXCEPTIONS AND BRIEFS

Within twenty-one (21) days after (a) the service date of a preliminary order, (b) the service date of a denial of a petition for reconsideration from this preliminary order, or (c) the failure within twenty-one (21) days to grant or deny a petition for reconsideration from a preliminary order, any party may in writing support or take exceptions to any part of a preliminary order and may file briefs in support of the party's position on any issue in the proceeding. Otherwise, a preliminary order will become a final order of the Department.

If any party appeals or takes exceptions to a preliminary order, opposing parties shall have twenty-one (21) days to respond to any party's appeal. Written briefs in support of or taking exceptions to the preliminary order shall be filed with the Department. The Department retains the right to review the preliminary order on its own motion.

ORAL ARGUMENT

If the Department grants a petition to review a preliminary order, the Department shall allow all parties an opportunity to file briefs in support of or taking exceptions to the preliminary order and may schedule oral argument in the matter before issuing a final order. If oral arguments are to be heard, the Department will within a reasonable time period notify each party of the place, date and hour for the argument of the case. Unless the Department orders otherwise, all oral arguments will be heard in Boise, Idaho.

CERTIFICATE OF SERVICE

All exceptions, briefs, requests for oral argument and any other matters filed with the Department in connection with a preliminary order shall be served on all other parties to the proceedings in accordance with Rules of Procedure 302 and 303.

FINAL ORDER

The Department will issue a final order within fifty-six (56) days of receipt of the written briefs, oral argument or response to briefs, whichever is later, unless waived by the parties or for good cause shown. The Department may remand the matter for further evidentiary hearings if further factual development of the record is necessary before issuing a final order. The department will serve a copy of the final order on all parties of record.

Section 67-5246(5), Idaho Code, provides as follows:

Unless a different date is stated in a final order, the order is effective fourteen (14) days after its issuance if a party has not filed a petition for reconsideration. If a party has filed a petition for reconsideration with the agency head, the final order becomes effective when:

- (a) the petition for reconsideration is disposed of; or
- (b) the petition is deemed denied because the agency head did not dispose of the petition within twenty-one (21) days.

APPEAL OF FINAL ORDER TO DISTRICT COURT

Pursuant to sections 67-5270 and 67-5272, Idaho Code, if this preliminary order becomes final, any party aggrieved by the final order or orders previously issued in this case may appeal the final order and all previously issued orders in this case to district court by filing a petition in the district court of the county in which:

- i. A hearing was held,
- ii. The final agency action was taken,
- iii. The party seeking review of the order resides, or
- iv. The real property or personal property that was the subject of the agency action is located.

The appeal must be filed within twenty-eight (28) days of this preliminary order becoming final. See section 67-5273, Idaho Code. The filing of an appeal to district court does not itself stay the effectiveness or enforcement of the order under appeal.

MEMORANDUM

TO: File 36-02707

FROM: Pam Skaggs^{ES}/State Office

SUBJECT: Transfer 5399

DATE: December 13, 1999

Transfer 5399 changes the place of use under Right 36-02707 to create a 325 acres permissible place of use. The applicant plans to combine canal water with this 299.0 acre groundwater right to irrigate the permissible place of use.

Allen Merritt used GIS to identify the specific number of acres within each quarter-quarter and recommended that these numbers be identified on the approval. This resulted in minor changes and the same total of 325 acres requested on the application.

Recommended conditions include subordinated/extended season, permissible place of use limits, measuring & annual reporting, irrigation overlap and standard transfer conditions.

TO: Transfer File No. 5399
Water Right(s): 36-02707

X36-02707

In the Name of: Campbell

SUBJECT: Review and Recommendation

This transfer is for reshuffling a 299 acre right into a PPU of 325 acres. It is intended that canal shares will be mingled with the groundwater to irrigate the entire 325 acres. The base right was subject to a previous transfer #4663 filed in 1995. The right has not yet been decreed but is recommended under X36-02707.

This transfer was advertised without protest.

The AJ recommendation was not GISed so I created a shapefile for this transfer as proposed. The acres as per GIS are slightly different than those listed on the application. I recommend the tracts and acres as determined by GIS should be listed on the approval.

RECOMMENDATION

I recommend the transfer be approved subject to the following conditions:

- The right is limited to irrigation of no more than 299 acres in the 324 acre PPU. If more than 299 acres are irrigated in any one year then addition rights must be acquired and mingled with the system.
- This right is limited to 4.58 cfs and 1196 afa for irrigation of no more than 299 acres in any one season.
- The tracts as determined by GIS should be the PPU.
- No new wells are authorized to be drilled or developed under this approval.

TO ALL PERMIT HOLDERS:

Well logs are an important part of your recorded water right and State Statutes require that well drillers supply logs on all wells, whether irrigation, domestic, drain or stock wells, to be filed in the Department of Reclamation. In view of the rapidly increasing demand for ground water, the lowering of the ground water level, and the creation of critical ground water areas, it is important that you, as owner, make sure a log on your well is filed in this office. Re: Permit No. G-32678

William R. Hill
Rt. # 1
Wendell, Idaho 83355

Dear Mr. Hill:

During the 1967 session of the Idaho Legislature, certain amendments were made in the law pertaining to the procedures for making proof of beneficial use of water. In order for the Department to comply with these changes, Rules of Practice and Procedure were adopted on August 1, 1968. Generally, these procedures and the amended law make it simpler for a person to make proof and relieve the permit holder from making separate proofs of completion of works and beneficial use of water.

The enclosed order modifies your permit to comply with those rules and regulations. As a part of the new procedure, you will be required to publish a notice at your expense for two consecutive weeks in a paper as prescribed by the Department, stating that you have been issued a permit and are now submitting proof of beneficial use. Previously, a permit holder had to publish a notice for four weeks when he submitted proof under his permit.

If you will complete the enclosed forms, we will cause the notice to be published. Should you require additional forms or information, we will be glad to supply it upon request at any time.

Very truly yours,

Donald W. McEldowney
