Dear Sirs:

I am writing in regard to the above permit on a certificate and license of water right.

On Jan. 29, 1968 I was informed by your office that you had received the depositions and affidavit of publication in the Lincoln County Journal, and that a field examination would be made by the Department of Reclamation.

Since I have not heard from the field examiner, nor received the license, I will appreciate your looking into this matter as soon as possible. I am anxious to have this matter settled as soon as possible, and will be glad to hear from you.

Thank you.

Dear Mr. Thorne:

We acknowledge receipt of the depositions and affidavit of publication in the
Lincoln County Journal submitted as proof of com-
pletion of works and beneficial use on Permit G-33135.

Before a certificate and license of water right can be issued, a field examination must be made by a representative from this department. We cannot tell just when this examination will be made, but our field examiner will try to contact you at the time he makes the examination so that you may show him the system.

Harrell A. Thorne
P. O. Box 966
Shoshone, Idaho

Dear Mr. Thorne:

This acknowledges receipt of the notice of intent to make proof of completion of works and application of water to beneficial use for permit G-33135.

We have mailed the notice to the Lincoln County Journal to be published once a week for four consecutive weeks prior to January 26, 1968, which is the hearing date when the permit holder Harrell A. Thorne

and two disinterested witnesses must appear before Kenneth L. Blackburn, notary public, to complete the enclosed depositions. The witnesses must be familiar with the works and permit.

After the hearing, the depositions and an affidavit of publication must be submitted to this office. The affidavit may be obtained from the newspaper when the advertising bill is paid by Harrell A. Thorne. Be sure all the forms have the notary's seal and are signed.

Please feel free to contact us if we may be of any assistance.

Very truly yours,

This land has been planted this summer. But found there was ^{not} enough water.

We desire to fall plant with Gains wheat and need this well to start crop and get it up. Do have a well Driller ready to Drill.

Will certainly appreciate an immediate reply. If it is going to take considerable time is it permissible to go ahead with the drilling and installation of pump.

Thanks.
