Re: Permit No. G-32225

Lucille Martin
406 N. Buchannon
Jerome, Idaho

Dear Mr. Martin:

During the 1967 session of the Idaho Legislature, certain amendments were made in the law pertaining to the procedures for making proof of beneficial use of water. In order for the Department to comply with these changes, Rules of Practice and Procedure were adopted on August 1, 1968. Generally, these procedures and the amended law make it simpler for a person to make proof and relieve the permit holder from making separate proofs of completion of works and beneficial use of water.

The enclosed order modifies your permit to comply with these rules and regulations. As a part of the new procedure, you will be required to publish a notice at your expense for two consecutive weeks in a paper as prescribed by the Department, stating that you have been issued a permit and are now submitting proof of beneficial use. Previously, a permit holder had to publish a notice for four weeks when he submitted proof under his permit.

If you will complete the enclosed forms, we will cause the notice to be published. Should you require additional forms or information, we will be glad to supply it upon request at any time.

Very truly yours,

Donald W. McEldowney

Dear Mr. Huizinga:

On February 24, 1965, our Shoshone District Manager issued an "Initial Decision" approving your desert land petition Idaho 015121.

According to the State Reclamation Department your State water permit no. G-28566 was relinquished this year. Before a notice of allowance can be issued, it will be necessary for you to submit evidence of your right to appropriate and use the water for the irrigation of the land. The evidence should consist of a copy of a State water permit or license approved by the State Reclamation Engineer. You should make arrangements with the State Reclamation Engineer to have a copy of the permit or license sent to this office as soon as possible. A copy of this letter will be sent to him.

We would appreciate receiving a copy of the permit within the next 20 days.

Sincerely yours,

/S/ ORVAL G. HADLEY
