Dear Mr. May:

As you know, the SRBA Court ordered IDWR to make the ownership change from Clifton A. May to Clifton A. May Family Trust on water rights #36-02322 and 36-15226. Those water right records were modified by us as the Court ordered.

However, without documentation, we could only change the address on your other rights, not the owner. If you choose to change your other water rights to be in the name of the family trust, we require the enclosed ownership change form to be completed and returned.

I have enclosed Adjudication Claim Profile Reports of each of your water rights for your information. Please call me toll-free at 1/800-451-4129 if you have any questions or concerns.
