Dear Mr. King:

We acknowledge receipt of the proofs of completion of works and beneficial use of water on Permit No. G-30159.

You did not answer Query 6-a which reads in part, "....., give name and address of person that drilled the well."

Upon checking our files we find that we do not have a log on the well. State Statutes require that the well driller submit logs on all wells he drills in the state.

Will you kindly send us the name and address of the driller so that we may contact him for the log?
