Dear Mr. Young:

Returned herewith is your application for permit with attached check for \$5.25.

The point of diversion under No. 4 of application should show the 40-acre subdivision or a definite point. The land list under No. 12 should show the acres in each 40-acre subdivision. The figures you give are not adequate. The two maps do not show directions. Kindly show the north direction, also the land to be irrigated, such as NW $\frac{1}{4}$, W $\frac{1}{2}$ NE $\frac{1}{4}$, Sec. 5, or NE $\frac{1}{4}$, N $\frac{1}{2}$ SE $\frac{1}{4}$, Sec. 5. Show the well on both maps. We must know the description of the land and the well.

Return the application with the filing fee after the application is complete.
