Dear Sir:

Re: Permit for Ralph S. Requa, Wendell, Idaho

Several weeks ago Mr. Ralph S. Requa filled out an application for a Water Right permit and to date has received no word about it.

The reason I am writing this letter for him is because he has a loan approved subject to this permit being issued and the loan will remain in suspense until that time.

He has his pump installed and working and everyone who has worked on the project or supplied equipment is waiting for his money so, if you can expedite this permit, it would be very much appreciated.

Very truly yours,

Mr. Ralph S. Requa,
Route 2,
Wendell, Idaho.

Dear Mr. Requa:

This acknowledges the Notice of Proof of Completion of Works and Application of Water to Beneficial Use under Permit No. G-30103. The proofs are to be made at 10:00 o'clock A.M., on the 12th day of December, 1961, ~~1960~~, before Clyde Petersen, Wendell, Idaho, Notary Public.

As of this date we have mailed the Notice to the Wendell Irrigationist with instructions to publish it once a week for four consecutive weeks prior to the date set for final proof and then mail the affidavit of publication and statement of costs to you.

It is important that the enclosed depositions be executed by you and two disinterested witnesses who are familiar with the terms of the permit and the work done thereunder, at the place, on the date, and at the time and before the Notary, as advertised. It is very important and necessary that each question be answered in detail.

In returning the depositions to this office, be sure that all copies have been signed, the Notary's seal has been placed on each and that all depositions, (holder and two witnesses) are being returned. Also be sure to enclose the Affidavit of Publication.

Very truly yours,

GEO. N. CARTER

Dear Sir: Re: Permit for Ralph S. Requa, Wendell, Idaho

Several weeks ago Mr. Ralph S. Requa filled out an application for a Water Right permit and to date has received no word about it.

The reason I am writing this letter for him is because he has a loan approved subject to this permit being issued and the loan will remain in suspense until that time.

He has his pump installed and working and everyone who has worked on the project or supplied equipment is waiting for his money so, if you can expedite this permit, it would be very much appreciated.

Very truly yours,
