RE: Permit No. G 30058
Hyrum N. Rosencrantz

Gentlemen:

I am herewith enclosing two of your Form No. 36 and one Form No. 11 in connection with proof of Completion of Works and Beneficial use under Permit No. G 30058 issued to Hyrum N. Rosencrantz of Hagerman, Idaho.

The date of November 3, 1962 was the date suggested by Mr. Rosencrantz. I was under the impression that it must be not less than 30 dates before the date of proof but in reading the instructions I find that it states 40 days.

There will still be ample time to have the notice published four weeks as the Gooding Leader is published on Thursdays leaving October 11th. 18th. 25th. and November 1st.

However if you wish you may change the date of final proof to November 10th.

IF there is any further correspondence in this case please write direct to me or at least mail a copy of your letter to me. Should you decide in changing the date, please advise me so that I may notify the witnesses as well as Mr. Rosencrantz.

Very truly yours,
