YOUR RIGHT TO APPEAL YOUR PROPERTY VALUE

To appeal your property value, you must file a written form with the county board of equalization (BOE). The form requires you to identify yourself, your property, and the reason for your appeal. You can get the form from your county assessor, clerk or commissioners.

The form must be filed on or before the end of the county's business day on the 4th Monday of June. (For subsequent property rolls, the filing deadline is the 4th Monday of November. For the missed proper-

ty rolls, the filing deadline is the following year's January meeting date for the BOE.) See Idaho Code §63-501A.

If you do not file by the above deadline, you will lose your right to appeal your property value for the current year.

Contact your county assessor to learn more about property tax exemptions or other tax benefit programs.

BOARD OF EQUALIZATION (BOE) DATES AND RESPONSIBILITIES

For equalizing the value of property, granting property tax exemptions, and hearing appeals of value, the board of county commissioners, meeting as the BOE, must meet at least once every month through the 4th Monday in June; and day to day through the 2nd Monday of July.

For subsequent property assessment rolls, the BOE will meet from the 4th Monday of November to the 1st Monday of December. For missed property, the BOE will hear appeals at its January meeting. See Idaho Code §§63-501 and 63-502.

CURRENT YEAR ESTIMATED TAX

The current year estimated tax shown on the front of this card is calculated using this year's property value multiplied by last year's levy rate. It does not include new voter-approved budget overrides or bonds, or changes in property use, parcel splits or other variables that might affect the value or tax.

The actual tax, for which you will be billed in November, will be different than the estimated tax

shown on this notice. Actual taxes will be based on the current year's taxable value multiplied by the current year's levy rate which will not be determined until September after the taxing districts' budgets are completed and final.

Remember to participate in setting district budgets, such as school, city and county budgets. These budgets determine how much tax you pay.

**EXPLANATORY INFORMATION
TO ACCOMPANY A
PRELIMINARY ORDER**

The accompanying order or approved document is a "**Preliminary Order**" issued by the department pursuant to section 67-5243, Idaho Code. It can and will become a final order without further action of the Department of Water Resources (department) unless a party petitions for reconsideration, files an exception and brief, or requests a hearing as further described below:

PETITION FOR RECONSIDERATION

Any party may file a petition for reconsideration of a preliminary order with the department within fourteen (14) days of the service date of this order. The department will act on a petition for reconsideration within twenty-one (21) days of its receipt, or the petition will be considered denied by operation of law. See Section 67-5243(3) Idaho Code.

EXCEPTIONS AND BRIEFS

Within fourteen (14) days after (a) the service date of a preliminary order, (b) the service date of a denial of a petition for reconsideration from this preliminary order, or (c) the failure within twenty-one (21) days to grant or deny a petition for reconsideration from this preliminary order, any party may in writing support or take exceptions to any part of a preliminary order and may file briefs in support of the party's position on any issue in the proceeding with the Director. Otherwise, this preliminary order will become a final order of the agency.

REQUEST FOR HEARING

Unless a right to a hearing before the department or the Idaho Water Resource Board (Board) is otherwise provided by statute, any person aggrieved by any final decision, determination, order or action of the Director of the department and who has not previously been afforded an opportunity for a hearing on the matter may request a hearing pursuant to section 42-1701A(3), Idaho Code. A written petition contesting the action of the Director and requesting a hearing shall be filed within fifteen (15) days after receipt of the denial or conditional approval.

ORAL ARGUMENT

If the Director grants a petition to review the preliminary order, the Director shall allow all parties an opportunity to file briefs in support of or taking exceptions to the preliminary order and may schedule oral argument in the matter before issuing a final order. If oral arguments are to be heard, the Director will within a reasonable time period notify each party of the place, date and hour for the argument of the case. Unless the Director orders otherwise, all oral arguments will be heard in Boise, Idaho.

CERTIFICATE OF SERVICE

All exceptions, briefs, requests for oral argument and any other matters filed with the Director in connection with the preliminary order shall be served on all other parties to the proceedings in accordance with IDAPA Rules 37.01.01302 and 37.01.01303 (Rules of Procedure 302 and 303).

FINAL ORDER

The Director will issue a final order within fifty-six (56) days of receipt of the written briefs, oral argument or response to briefs, whichever is later, unless waived by the parties or for good cause shown. The Director may remand the matter for further evidentiary hearings if further factual development of the record is necessary before issuing a final order. The department will serve a copy of the final order on all parties of record.

Section 67-5246(5), Idaho Code, provides as follows:

Unless a different date is stated in a final order, the order is effective fourteen (14) days after its issuance if a party has not filed a petition for reconsideration. If a party has filed a petition for reconsideration with the agency head, the final order becomes effective when:

- (a) the petition for reconsideration is disposed of; or
- (b) the petition is deemed denied because the agency head did not dispose of the petition within twenty-one (21) days.

APPEAL OF FINAL ORDER TO DISTRICT COURT

Pursuant to sections 67-5270 and 67-5272, Idaho Code, if this preliminary order becomes final, any party aggrieved by the final order or orders previously issued in this case may appeal the final order and all previously issued orders in this case to district court by filing a petition in the district court of the county in which:

- i. A hearing was held,
- ii. The final agency action was taken,
- iii. The party seeking review of the order resides, or
- iv. The real property or personal property that was the subject of the agency action is located.

The appeal must be filed within twenty-eight (28) days of this preliminary order becoming final. See section 67-5273, Idaho Code. The filing of an appeal to district court does not itself stay the effectiveness or enforcement of the order under appeal.

Dear Mr. Andersen:

The date for proofs of Completion of Works and Application of water to beneficial use, as set out under terms of Permit No. G-n 29787 are due not later than **June 9, 1966**

Before these proofs can be made, the statutory requirement is that a notice of your intention of proof be published once a week for four consecutive weeks in a newspaper within the county in which the land is located. In completing the Notice of proof for publication, the information should be taken from your Permit, including any amendments made in connection with a change of point of diversion or land list, which has been recorded in this department. If changes have been made and no amendments are on record, we advise you request a form for this purpose before your Notice is published.

We enclose Form 36, in duplicate, which is to be filled out and returned to this department at least FORTY (40) DAYS BEFORE THE MENTIONED DATE, (allowing for four weeks publication). Please give the name of the town, the address of the place where the depositions will be executed, and, the name of the notary public before whom you will appear to make the depositions of proof (this may be at any place convenient for you and your two witnesses), the quantity of water filed; for what purpose it is used; the point, or points, of diversion; and the location of use or the lands which are irrigated - - all by legal land description.

Enclosed also is Form 11, which is the authorization for us to have the notice published in the designated county newspaper at your expense. This is to be returned with two Forms 36.

At the time we send the notice to the newspaper we will send to you the forms for the depositions of holder and two disinterested witnesses. It is important that the depositions be executed at the time, on the date set, at the place named, and before the notary public, as advertised in the publication notice.

Very truly yours,

Carl E. Tappan

Re: Application for Permit

Lloyd N. Andersen
Route #2
Wendell, Idaho

Dear Mr. Andersen:

Returned herewith is your application.

The filing fee of \$5.25, for 70 miners inches claimed, must accompany the application. You show 80 acres to be irrigated, and may increase the amount to 80 miners inches if you think you might be able to irrigate more than 70 acres.

The point of diversion is in the NW $\frac{1}{4}$ NE $\frac{1}{4}$, Sec. 34, Twp. 8 S., Rge. 15 E., B. M., and the map shows you intend to irrigate the W $\frac{1}{2}$ NE $\frac{1}{4}$. Under 12 on page 2, of the application, you showed NE $\frac{1}{4}$ NE $\frac{1}{4}$, SW $\frac{1}{4}$ NE $\frac{1}{4}$, to be irrigated. We have crossed out the 40 under NE $\frac{1}{4}$ NE $\frac{1}{4}$ and pencilled in 40 under NW $\frac{1}{4}$ NE $\frac{1}{4}$. The maps have been marked with the section, township and range.

Kindly check to be sure all is correct before returning the application with the filing fee.

Very truly yours,

GEO. H. CARTER
