Dear Mrs. Henderson:

This acknowledges the Notice of Proof of Completion of Works and Application of Water to Beneficial Use under Permit No. **G-27934** in the name of **Lawrence V. Martin**. Final Proof is to be made before you, as Notary on the **7th** day of **November**, 19**66**, at ~~xxxxxxxxxxxxxxxxxxxx~~ **224 Idaho Building, Boise**, Idaho.

As of this date, we have mailed the Notice to the ~~North Side~~ **Road**, with instructions to publish it once a week for four consecutive weeks prior to the date set for final proof and then mail the Affidavit of Publication and statement of costs to you.

It is important that the enclosed depositions be executed by the permit holder and two disinterested witnesses who are familiar with the terms of the permit and the work done thereunder, at the time, on the date and before you, as Notary, as stated in the publication notice. It is very important and necessary that each question be answered in detail.

In returning the depositions to this office, be sure that all copies have been signed, that your Notary's seal has been placed on each and that all depositions, (holder and two witnesses) are being returned. Also be sure to enclose the AFFIDAVIT OF PUBLICATION.

Dear Mr. Martin:

The date for proofs of Completion of Works and Application of water to beneficial use, as set out under terms of Permit No. G- 27934 are due not later than **Nov. 13, 1966**

Before these proofs can be made, the statutory requirement is that a notice of your intention of proof be published once a week for four consecutive weeks in a newspaper within the county in which the land is located. In completing the Notice of proof for publication, the information should be taken from your Permit, including any amendments made in connection with a change of point of diversion or land list, which has been recorded in this department. If changes have been made and no amendments are on record, we advise you request a form for this purpose before your Notice is published.

We enclose Form 36, in duplicate, which is to be filled out and returned to this department at least FORTY (40) DAYS BEFORE THE MENTIONED DATE, (allowing for four weeks publication). Please give the name of the town, the address of the place where the depositions will be executed, and, the name of the notary public before whom you will appear to make the depositions of proof (this may be at any place convenient for you and your two witnesses), the quantity of water filed; for what purpose it is used; the point, or points, of diversion; and the location of use or the lands which are irrigated - - all by legal land description.

Enclosed also is Form 11, which is the authorization for us to have the notice published in the designated county newspaper at your expense. This is to be returned with two Forms 36.

At the time we send the notice to the newspaper we will send to you the forms for the depositions of holder and two disinterested witnesses. It is important that the depositions be executed at the time, on the date set, at the place named, and before the notary public, as advertised in the publication notice.

POINT OF DIVERSION

Permit No. G-27934

Comes now Elmer Howard and represents to the State Reclamation Engineer of the State of Idaho:

That he is (~~was~~) the owner and holder of Permit to Appropriate the Public Waters of the State of Idaho, No. G-27934.

That the point of diversion is described in said Permit as being located:

SW¹/₄ Sec. 7., Twp. 8 S., Rge. 18 E.B.M.

That he now requests that the point of diversion be changed to a point located: NW¹/₄ Sec. 7., Twp. 8 S., Rge. 18 E.B.M.

That the reason for desiring to make such change is as follows:

We feel this is a better place for the well due to the fact that we are
changing from gravity irrigation to sprinklers.

That no one will be injured by such change, and that such change will be made at Permit Holder's own risk.
