The date for proofs of Completion of Works and Application of water to beneficial use, as set out under terms of Permit No. G- 27581 are due not later than **October 15, 1963.**

Before these proofs can be made, the statutory requirement is that a notice of your intention of proof be published once a week for four consecutive weeks in a newspaper within the county in which the land is located. In completing the Notice of proof for publication, the information should be taken from your Permit, including any amendments made in connection with a change of point of diversion or land list, which has been recorded in this department. If changes have been made and no amendments are on record, we advise you request a form for this purpose before your Notice is published.

We enclose Form 36, in duplicate, which is to be filled out and returned to this department at least FORTY (40) DAYS BEFORE THE MENTIONED DATE, (allowing for four weeks publication). Please give the name of the town, the address of the place where the depositions will be executed, and, the name of the notary public before whom you will appear to make the depositions of proof (this may be at any place convenient for you and your two witnesses), the quantity of water filed; for what purpose it is used; the point, or points, of diversion; and the location of use or the lands which are irrigated -- all by legal land description.

Enclosed also is Form 11, which is the authorization for us to have the notice published in the designated county newspaper at your expense. This is to be returned with two Forms 36,

At the time we send the notice to the newspaper we will send to you the forms for the depositions of holder and two disinterested witnesses. It is important that the depositions be executed at the time, on the date set, at the place named, and before the notary public, as advertised in the publication notice.

If changes have been made and no amendments are on record, we advise you request a form for this purpose before your Notice is published.

We enclose Form 36, in duplicate, which is to be filled out and returned to this department at least FORTY (40) DAYS BEFORE THE MENTIONED DATE, (allowing for four weeks publication). Please give the name of the town, the address of the place where the depositions will be executed, and, the name of the notary public before whom you will appear to make the depositions of proof (this may be at any place convenient for you and your two witnesses), the quantity of water filed; for what purpose it is used; the point, or points, of diversion; and the location of use or the lands which are irrigated -- all by legal land description.

Enclosed also is Form 11, which is the authorization for us to have the notice published in the designated county newspaper at your expense. This is to be returned with two Forms 36.

At the time we send the notice to the newspaper we will send to you the forms for the depositions of holder and two disinterested witnesses. It is important that the depositions be executed at the time, on the date set, at the place named, and before the notary public, as advertised in the publication notice.

Very truly yours,

State Reclamation Engineer

Dear Mr. Mayall:

We acknowledge receipt of the depositions of holder and two witnesses, also affidavit of publication in the FIRST SEGREGATION NEWS, all submitted in proof of completion of works and beneficial use on Permit No. G-27581.

Before final action is taken in the matter, the law requires that a field examination be made by an engineer from this department.

We cannot tell just when this examination will be made, but our field engineer will try and contact you at the time he makes the examination so that arrangements may be made to show him over the grounds.

Re: Joseph G. Mayall Desert Entry Idaho, 011564

Dear Mr. Hadley:

This is to advise you that the irrigation of the NE $\frac{1}{4}$ NE $\frac{1}{4}$, Section 15, Township 8 South - Range 21 East, E.M., is covered under water permit G-27581 with the well in the NE $\frac{1}{4}$ SW $\frac{1}{4}$, Section 11, Township 8 South - Range 21 East, E.M. This permit is being carried in the name of Clarence H. Mayall.

Proof of ownership of the lands is not required with the application, therefore, when the permit is issued it is only assumed that the person making the filing is the owner. The water then becomes appurtenant to the land as listed.

Gentlemen:

We received the affidavit of publication, properly notarized, of the advertising for the notice of correction of legal notice on the Clarence H. Mayall water proof. We forwarded this on to the Department of Reclamation but it was either lost in the mail or they have misplaced it because they do not have it and have no record of having received it.

Please send the Idaho Department of Reclamation an Affidavit of Publication on the above described advertising. According to our records you advertised this in your paper on October 20 and 27. If there is any charge, please let us know.

I am sorry this mix-up occurred and very much appreciate your cooperation.

Very truly yours,

Department of Reclamation

Dear Mr. Mayall:

Our field examiner's report on his inspection of proof of completion of works and application of water to beneficial use under the terms of Permit No. G-27581 shows the well(s) is ~~(was)~~ capable of conveying 276 miner's inches, or 5.52 c.f.s. However, due to the limitations of your permit, we can only allow the amount of water originally requested, the amount of water actually used beneficially, or 1 (one) miner's inch per irrigated acre.

Upon receipt of the statutory fees, totaling \$ 23.00, we will issue the Certificate of Completion of Works for 5.52 c.f.s. and the License and Certificate of Water Right for 5.52 c.f.s. confirming the right, with priority of October 8, 1958, to the use of subterranean water with the point of diversion in NW $\frac{1}{4}$ SW $\frac{1}{4}$, Sec. 11, T. 8 S, R. 21 E, B.M. for irrigation of 276 acres in W $\frac{1}{2}$ NW $\frac{1}{4}$, SW $\frac{1}{4}$, N $\frac{1}{2}$ SE $\frac{1}{4}$, Sec. 11; NE $\frac{1}{4}$ NE $\frac{1}{4}$, Sec. 15, T. 8 S, R. 21 E, B.M.
