Dear Mr. Brown:

We have received your correspondence regarding The Mutual Life Insurance Company of New York's security interest in water rights appurtenant to property now owned by Jefferson and Jacqueline Hunt, Bruce and Rebecca Pincock and H & P Farms.

Ownership changes for claims in the Snake River Basin Adjudication must be recorded, therefore, copies of your letter and attachments have been forwarded to the Adjudication Bureau for updating of their records.

Such updates are not required in our water right processing, thus copies of your documentation have been placed in our paper files for future reference only. The addition of a lienholder into our computer system serves little purpose and correspondence which would be generated on these rights from our processing staff likely would have no application for a lienholder.

In the future, you can direct this type of correspondence directly to the Adjudication Bureau.

If I can be of further assistance, please feel free to contact me.

Sincerely,

for *Sharla Curtis*

Water Rights - Lienholder's Interest

Gentlemen:

The Mutual Life Insurance Company of New York (MONY) has closed a loan transaction with Jefferson F. Hunt and Jacqueline L. Hunt, husband and wife, Bruce W. Pincock and Rebecca L. Pincock, husband and wife, and H & P Farms, a Partnership. In connection with said loan transaction, MONY has mortgaged certain real estate owned by Jefferson F. Hunt and Jacqueline L. Hunt, husband and wife, Bruce W. Pincock and Rebecca L. Pincock, husband and wife, and H & P Farms, a Partnership, and taken a security interest in the water rights appurtenant to and used in connection with said real property.

It is my understanding that State of Idaho Department of Water Resources now has all water rights on a computer system and that a notice of MONY's security interest will be entered into that system. For your use, I now enclose duplicate copies of the legal descriptions for the real property encumbered by MONY's mortgage and the water rights appurtenant thereto. It is my understanding that one copy will be dated the day that you receive it and returned to me to acknowledge receipt, and that the second copy will be retained by your department for your file.

The lienholder's name and address to be registered in you system and used for all required notifications and correspondence is as follows:
