RE: Permit No. G-25480

Mr. & Mrs. E. F. Nielson
Wendell
Idaho

Dear Mr. & Mrs. Nielson:

We enclose Permit No. G-25480 together with departmental receipt No. G-1021 for the \$5.25 filing fee.

We note that the works are completed and the water has been applied to beneficial use during the season of 1954.

Although two years are allowed for making these proofs, since the land has been irrigated from this source, you may make the proofs at any time and we enclose a form for notice herewith. This notice should be made in duplicate on Form 36 enclosed, setting the time and place and naming the Notary Public before whom the proof is to be made. Since the statutes require four weeks publication prior to making the proof, the date must be set far enough ahead to allow for this publication.

Both copies of Form 36 to be returned to this Department together with Form 11 which is your authorization for us to have the notice published at your expense in the designated county newspaper.

Very truly yours,

Our pump was installed last July, 1954, and the water applied to beneficial use during the irrigation season of 1954. Is this enough for completing our water right or do we wait until the irrigation season of 1955 is over? If we can complete our water right at this time will you please send us the necessary papers for publication purposes.
