Gentlemen:

We have checked the Notice on Permit No. G-22909 in the name of Ross G. Ward appearing in your issue of July 19, 1956, and note two small typographical errors as follows:

(1) In the fourth paragraph which is numbered 3. you left out the word is. This should read, "3. The use to which said water has been applied is for irrigation purposes,"

(2) In the third paragraph which is numbered 2. in the first line you spelled the word diversion wrong. This should read, "2. Said works of diversion will be fully completed etc."

Please make these corrections in your subsequent issues.
