ATTENTION: Mr. James J. May

Dear Mr. May:

We acknowledge receipt of the depositions of Mr. Carl L. Nelson, the holder of the Permit and also the two witnesses, and also the affidavit of publication from the Jerome North Side News, all submitted in proof of completion of works and beneficial use on Permit No. G-22337.

Before final action is taken in the matter, the law requires that a field examination be made by an engineer from this department.

We cannot tell just when this examination will be made, but our field engineer will try and contact Mr. Carl Nelson at the time he makes the examination so that arrangements may be made to show him over the grounds.

Very truly yours,

Attention: Mr. James J. May

Dear Mr. May:

We have your letter of December 2nd requesting the forms for making final proofs on Permit No. G-22337.

This Permit is in the name of E. Dean Howard and the proofs are due on or before August 1, 1956.

Before these proofs are made, the statutes require publication of a notice once a week for four weeks in a county newspaper. This notice should be made in duplicate on Form 36 enclosed, setting the time and place and naming the Notary Public before whom the proofs are to be made. The proofs may be made at Twin Falls or any place convenient for Mr. Howard and his two witnesses, but the time, of course, must be set far enough ahead to allow for four weeks publication.

Both copies of Form 36 to be returned to this department together with form 11 which is authorization for us to have the notice published at Permit Holder's expense in the designated county newspaper.

We shall then send a copy of the notice to the newspaper with instructions in regard to publishing and shall send Mr. Howard or whom ever may be designated, the necessary forms of deposition to be used in making these proofs.
