Dear Mr. Duffin:

We acknowledge receipt of the depositions of yourself and two witnesses in proof of beneficial use on permit No. 20315, and beneficial use and completion of works on Permit Nos. 21795 and 21796.

However, the affidavits of publication are a necessary part of these proofs and the Minidoka County News was instructed to send these affidavits to you and if you have not received them, we suggest you take the matter up with them at once.

We call attention to the fact that the proofs made on Permit No. 21795 evidently applied to Permit No. 21796, and vice versa, so we have changed these numbers, accordingly.
