Important Information About Your Water Right

June 19, 2002

C Glen Knighton
Route 1 Box 1158
Moore, ID 83255

Dear Water Right Claimant(s):

Attached to this letter is a copy of an ***Order Amending Irrigation Period of Use Element in Partial Decree, Nunc Pro Tunc*** (hereinafter "***Order***") for water right number 34-595. According to Idaho Department of Water Resources (IDWR) records, you are the current owner of this water right. If you are not the current owner, please contact IDWR immediately at:

Idaho Department of Water Resources
1301 North Orchard
Boise, ID 83706
800-451-4129

The purpose of the ***Order*** is to set forth beginning and ending dates for the irrigation period of use for this water right. As stated in the face of the ***Order***, this action was necessary following the decision of the Idaho Supreme Court in *A&B Irrigation Dist. v. Idaho Conservation League*, 131 Idaho 411, 423, 958 P.2d 568, 580 (1998). This ***Order*** also incorporates into the ***Partial Decree*** an express statement that the ***Partial Decree*** is subject to such general provisions necessary for the definition or for the efficient administration of the water right. This express statement is necessary to comply with the requirements of Idaho Code section 42-1412(6). This ***Order***, in combination with the ***Partial Decree*** that was issued for this water right on January 15, 1998, sets forth all of the elements of your water right. The Snake River Basin Adjudication (SRBA) Court suggests that you keep this document in a safe location together with a copy of the ***Partial Decree*** to show evidence of this water right. The original of this ***Order*** and the original of the ***Partial Decree*** for this water right are on file with SRBA Court. If you do not have a copy of the original ***Partial Decree***, one can be obtained by contacting the SRBA Court at (208) 736-3011. Please note that the ***Order*** is entered ***Nunc Pro Tunc***, meaning that the ***Order*** will be treated as if it were issued on the same date that the ***Partial Decree*** was originally issued.

Sincerely,

Diana Delaney

34-668

34-13743: 72 acres, 1.42 cfs, Knighton

34-13744: 50 acres, 0.98 cfs, Pritchett

Enclosed for your records is a typed Notice(s) reflecting your portion of the right. Review the Notice(s) and if you have other corrections or questions, please contact this office.

Respectfully submitted,

If the change in ownership affects the water right for each water right or adjudication claim number listed item 1, THEN SKIP THIS ITEM AND GO TO ITEM 7. If the change in ownership divides the water right(s) among multiple owners, you must describe, in detail, your portion of each water right after the change. Fill in the appropriate spaces in the box(es) below to describe your water right(s) after the change (one water right per box, you may copy this page as necessary). If your quantity of water is greater than a proportionate split, you must attach documentation to show justification for a larger amount. If you are not sure how to identify your portion of the original water right or adjudication claim records, please contact the nearest IDWR office for assistance.
