Department of Water Resources

Dear Sirs:

I have a water permit with Ident. No 34-7288. This permit was issued for the establishment of a small irrigation and domestic use well. The residence has not been established at this date, but those items concerning the well and the water from it being put to beneficial use are completed.

In the last correspondence I have received from your office, reference was made to a form called "Making Proof of Beneficial Use". If a copy of that form was sent I seem to have lost it. Would you kindly send me a copy, ~~so~~ so that I can complete the paper work on this project.

Thank you

Bruce N. Stewart
