

TRANSFER 71325

63-31896

LOT 1 HIGH PLAINS SUBD

File contains application attachments, review memo & review notes common to Transfers 71325 through 71346 for 22 "mass production" transfers about this subdivision.

Ownership change updated in database & draft approval today for T71325 per 8/30/04 information.

Drilling permit fee upgrades (as owners probably drill for exempted domestic use at first) are being pursued & will be pursued by Rob Whitney at Western Region as development continues. Issue adequately addressed with respect to transfer approval at this time.
