Dear Mr. Johnson:

Please find enclosed your Check No. 92-298 in the amount of \$6.00, and your application for permit which we have taken the liberty of retyping.

On your original application you requested 5.0 c.f.s. of water for irrigation, which is in excess of the amount the Idaho Code allows. The maximum allowed for the 240 acres you propose to irrigate would be 4.8 c.f.s.

You have five (5) years from the time your application is approved to prove beneficial use. If you wish to do so before the five year period is up, you may do so.

If you will sign the enclosed application and return it to this office with the appropriate filing fee of \$65.00, we will continue processing of your application.

If you have any questions, do not hesitate to contact this office.

Very truly yours,

RONALD D. CARLSON
Assistant to the
District Engineer
