Dear Mr. & Mrs. Mayo:

Returned herewith is your personal check in the amount of \$10.00 and your application to appropriate the public waters of the State of Idaho.

Your application is being returned as not acceptable as you have not listed a specific quantity of water which you are trying to appropriate. Therefore, this form will not be acceptable until you have completed the a. portion of statement No. 4 and the b. portion listing the exact number of acres to be irrigated under statement No. 8.

Please be advised, the maximum water allowable is one miner's inch per irrigated acre. Therefore, if you are going to irrigate 11 acres, the maximum you could apply for would be 11 miner's inches. Please contact us if we may be of further assistance.

Very truly yours,
