DEPARTMENT OF WATER RESOURCES

CLAIM TO A WATER RIGHT

Under the provisions of Section 42-243, Idaho Code, any person using or claiming rights to the public waters of Idaho established by diversion and application to a beneficial use must file a claim with the Department of Water Resources on or before June 30, 1983. Exempted from this filing are single family domestic uses as defined in Section 42-230(d), Idaho Code. Also exempted are rights represented by a permit, license, decree, adjudicated right, or a previously filed claim.

The filing of this claim does not confirm the water right claimed but failure to file may result in forfeiture of a water right

Notice is hereby given that Ervin and/or Verna Mathews

RE: Drilling Permit 34-90-Z-005

Dear Mr. Mathews:

Enclosed is your approved Drilling Permit 34-90-Z-005 for the proposed deepening of your irrigation well.

The reconstructed well authorized by this permit allows only for diversion of water for previously existing water rights and is not authorized for the diversion of water for new development.

The permit is subject to the Specific Conditions given on the attached sheet. The drilling prospectus required in Specific Condition No. 1 should be sent to the attention of Mark Slifka in the State Office at the address shown in the letterhead.

An additional copy of the permit has been enclosed for your driller. Please give it to him as he is required to have a copy on site.

If you have any questions, please contact this office.

Sincerely,

Lotwick I. Reese

SECTION OF DEPARTMENT OF WATER RESOURCES

This Permit is APPROVED Date April 23, 1990

If approved, this permit authorizes the ^{deepening} ~~construction~~ of a well subject to the following conditions. READ CAREFULLY!

GENERAL CONDITIONS:

1. The well must be constructed in compliance with the applicable statutes, specific conditions of approval shown on the water right permit, injection well permit, transfer or amendment and the rules and regulations of the Department for water appropriation, injection wells and well construction standards.
2. This drilling permit is valid for two (2) months from the above approval date for the start of construction and is valid for one (1) year from the approval date for completion of the well unless an extension has been granted.
3. This permit does not constitute the approval of the District Health Department or the Idaho Department of Health and Welfare which may be required before construction of this well.
4. The well shall be constructed by a driller currently licensed in the State of Idaho who must maintain a copy of the drilling permit at the drilling site.
5. Approval of this drilling permit does not authorize trespass on the land of another party.
6. This permit does not constitute other local, county, state or federal approvals which may be required for construction of a well.
7. This drilling permit does not represent a right to divert and use the water of the State of Idaho.
8. If a bottom hole temperature of 85°F or greater is encountered, well construction shall cease and the well driller and the well owner shall contact the Department immediately.
9. If this permit is for a replacement well, the well being replaced must be abandoned in accordance with Department Rules and Regulations.

EXTENSION OF DRILLING PERMIT

Extension approved by _____ Approval Date _____

This extension is good for 60 days beyond the above extension approval date.

34-90-Z-005 - SPECIFIC CONDITIONS

1. The permit holder and/or well driller shall submit a drilling prospectus to the Department which shows how the well will be deepened to minimize interference with surface water flows. The prospectus must be approved by the Department prior to deepening of the well.
2. The Director of the Department of Water Resources retains jurisdiction of the matter to require mitigation or reconstruction of the well if prior water rights are injured as determined by the Director.
3. The permit holder shall notify the Department at least ten (10) days prior to the start of well construction (modification) in order that the Department can observe the construction.
4. Diversion and use of water from the well is subject to the control of the watermaster of Water District No. 34, Big Lost River, if diversion and use of water from the well is determined to adversely affect prior water rights.

RE: Claim No. 34-4083

Dear Claimant:

The Department of Water Resources has completed the advertising of your claim to a water right, and no further action is authorized under Section 42-243 and 42-244, IDAHO CODE. Your claim will be retained in our files and will be available at any time for use by you or the court.

The filings and advertising of the claim does not confirm the water right claimed, but will serve to record and preserve the information and the evidence which you included in your claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included with the claim, you may have that information or evidence added at any time. Please refer to the claim identification number when corresponding with this office.

We are enclosing a copy of your claim for your records. If you have questions, or if this office may be of further assistance, please feel free to contact us.

Yours truly,
