Mr. Joseph R. Johnson
Route #1
Arco, Idaho 83213

Dear Mr. Johnson:

A representative of this Department has made an examination of the works covered by your Permit No. 33097/34-2484 and has found the following:

Quantity of water diverted: 0.35 cfs

Amount of water that can be recognized as beneficially used under Idaho law: 0.35 cfs

The maximum quantity diverted shall not exceed 1.67 acre feet per year.

Beneficial use: Irrigation of 30 acres within the NW 1/4 of Sec. 5, Twp. 3N, Rge. 27 E.B.M.

Point of diversion: (Lot 4) NW 1/4 Sec. 5, Twp. 3N, Rge. 27 E.B.M.

Priority date established: August 12, 1966

If you do not concur with these findings, please advise us within 10 days; otherwise, a license will be issued as set forth in this letter.

Sincerely,

BOBBY D. FLEENOR
Assistant Director

Dear Mr. Johnson:

One of the conditions of approval of your water Permit No. G-33097/34-2484 (see last page of your approved permit) was that evidence of the extent of development be submitted as proof of application of water to beneficial use to this office on or before August 16, 1971. Enclosed is an affidavit form which must be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted.

Either the beneficial use affidavit or a request for an extension of time must be received by this Department on or before the above mentioned date, otherwise the permit will lapse and be of no further force or effect.

Dear Mr. Johnson:

As of this date we have not yet received the affidavit of publication to be submitted in connection with the above referenced permit. Proof of beneficial use is not required until August 16, 1971; however, many newspapers do not keep copies of these advertisements in their files. We, therefore, recommend that you obtain this affidavit from the Arco Advertiser, Arco, Idaho and submit it to the Department as soon as possible. This insures that when you are ready to submit proof of beneficial use there will be no unnecessary delay or added expense.

Re: Permit No. G-33097 (new no. 34-2484)

Mr. Joseph R. Johnson
Route #1
Arco, Idaho

Dear Mr. Johnson:

During the 1967 session of the Idaho Legislature, certain amendments were made in the law pertaining to the procedures for making proof of beneficial use of water. In order for the Department to comply with these changes, Rules of Practice and Procedure were adopted on August 1, 1968. Generally, these procedures and the amended law make it simpler for a person to make proof and relieve the permit holder from making separate proofs of completion of works and beneficial use of water.

The enclosed order modifies your permit to comply with these rules and regulations. As a part of the new procedure, you will be required to publish a notice at your expense for two consecutive weeks in a paper as prescribed by the Department; previously, a permit holder had to publish a notice for four weeks when he submitted proof under his permit.

If you will complete the enclosed forms, we will cause the notice to be published. Should you require additional forms or information, we will be glad to supply them upon request at any time.

Very truly yours,
