Dear Mr Thomas;

We received your letter about the well permit we just submitted. In your letter you state that Mr E J Soelberg of Arco has a filing on the $W\frac{1}{2}$ of section 36, T 6 N R 25 EBM. Mr Soelberg does not own the $S\frac{1}{2}SW\frac{1}{4}$ of this section. The County records show that Mr John Bell of Darlington Idaho owns this 80 acres. If Mr Soelbergs permit calls for this 80 acres there is certainly a mistake in the description on Mr Soelbergs permit.

The well we wish to file on is already drilled, and Mr Bell has been using this well for some time. Mr Soelberg does have a well in the same area, but it is in the $NW\frac{1}{4}SW\frac{1}{4}$ of section 36, you might check with Mr Soelberg and see if this is not correct. Please find enclosed our application for this permit, we believe we have corrected it right.

Thank you for your immediate attention and may we hear from you soon.

Thanks

RE: Application for Permit

John W. Bell
Darlington, Idaho

Dear Mr. Bell:

Returned for correction find your application for permit to appropriate the subterranean waters of the State of Idaho and your check in the amount of \$6.50.

Under No. 4 and 12 you show township as both 6 and 7. This cannot be as your diversion and land list is in township 6 only.

You are not required to complete questions 6 and 11.

Your maps do not agree with the land list under question #12.

The proper fee will be \$5.75.

Also, our records show that E. J. Soelberg has Permit No. G-29474 for 6.4 c.f.s.; irrigating the W₂ of Section 36, T 6 N., R 2 E., B.M. from well in the same location as yours. Proofs are due on Mr. Soelberg's Filing, February 24, 1966.

If you have purchased the well from Mr. Soelberg, you could have him assign the permit to you. You would then have to file an amended land list and make proofs by February 24, 1966. Should you choose to do this, enclosed find forms for assignment and land list amendment.

State Reclamation Engineer
