Re: Permit No. 30187/34-2438

Mr. Melvin C. McAffee
Star Route
Mesa, Washington 99343

Dear Mr. McAffee:

Pursuant to our phone conversation of yesterday, I am herewith forwarding a copy of the above referenced permit.

A representative of the Department made an examination of the works covered by this permit and found the following:

Quantity of water diverted: 5.90 cfs

Amount of water that can be recognized as beneficially used under Idaho law: 2.52 cfs

The maximum quantity diverted shall not exceed 378 acre feet per year.

Beneficial use: Irrigation of 126 acres within the SE $\frac{1}{4}$ SW $\frac{1}{4}$ (22) S $\frac{1}{2}$ SE $\frac{1}{4}$ (64) Sec. 19; N $\frac{1}{2}$ NE $\frac{1}{4}$ (40) Sec. 30, Twp. 6 N, Rge. 26 E, B.M.

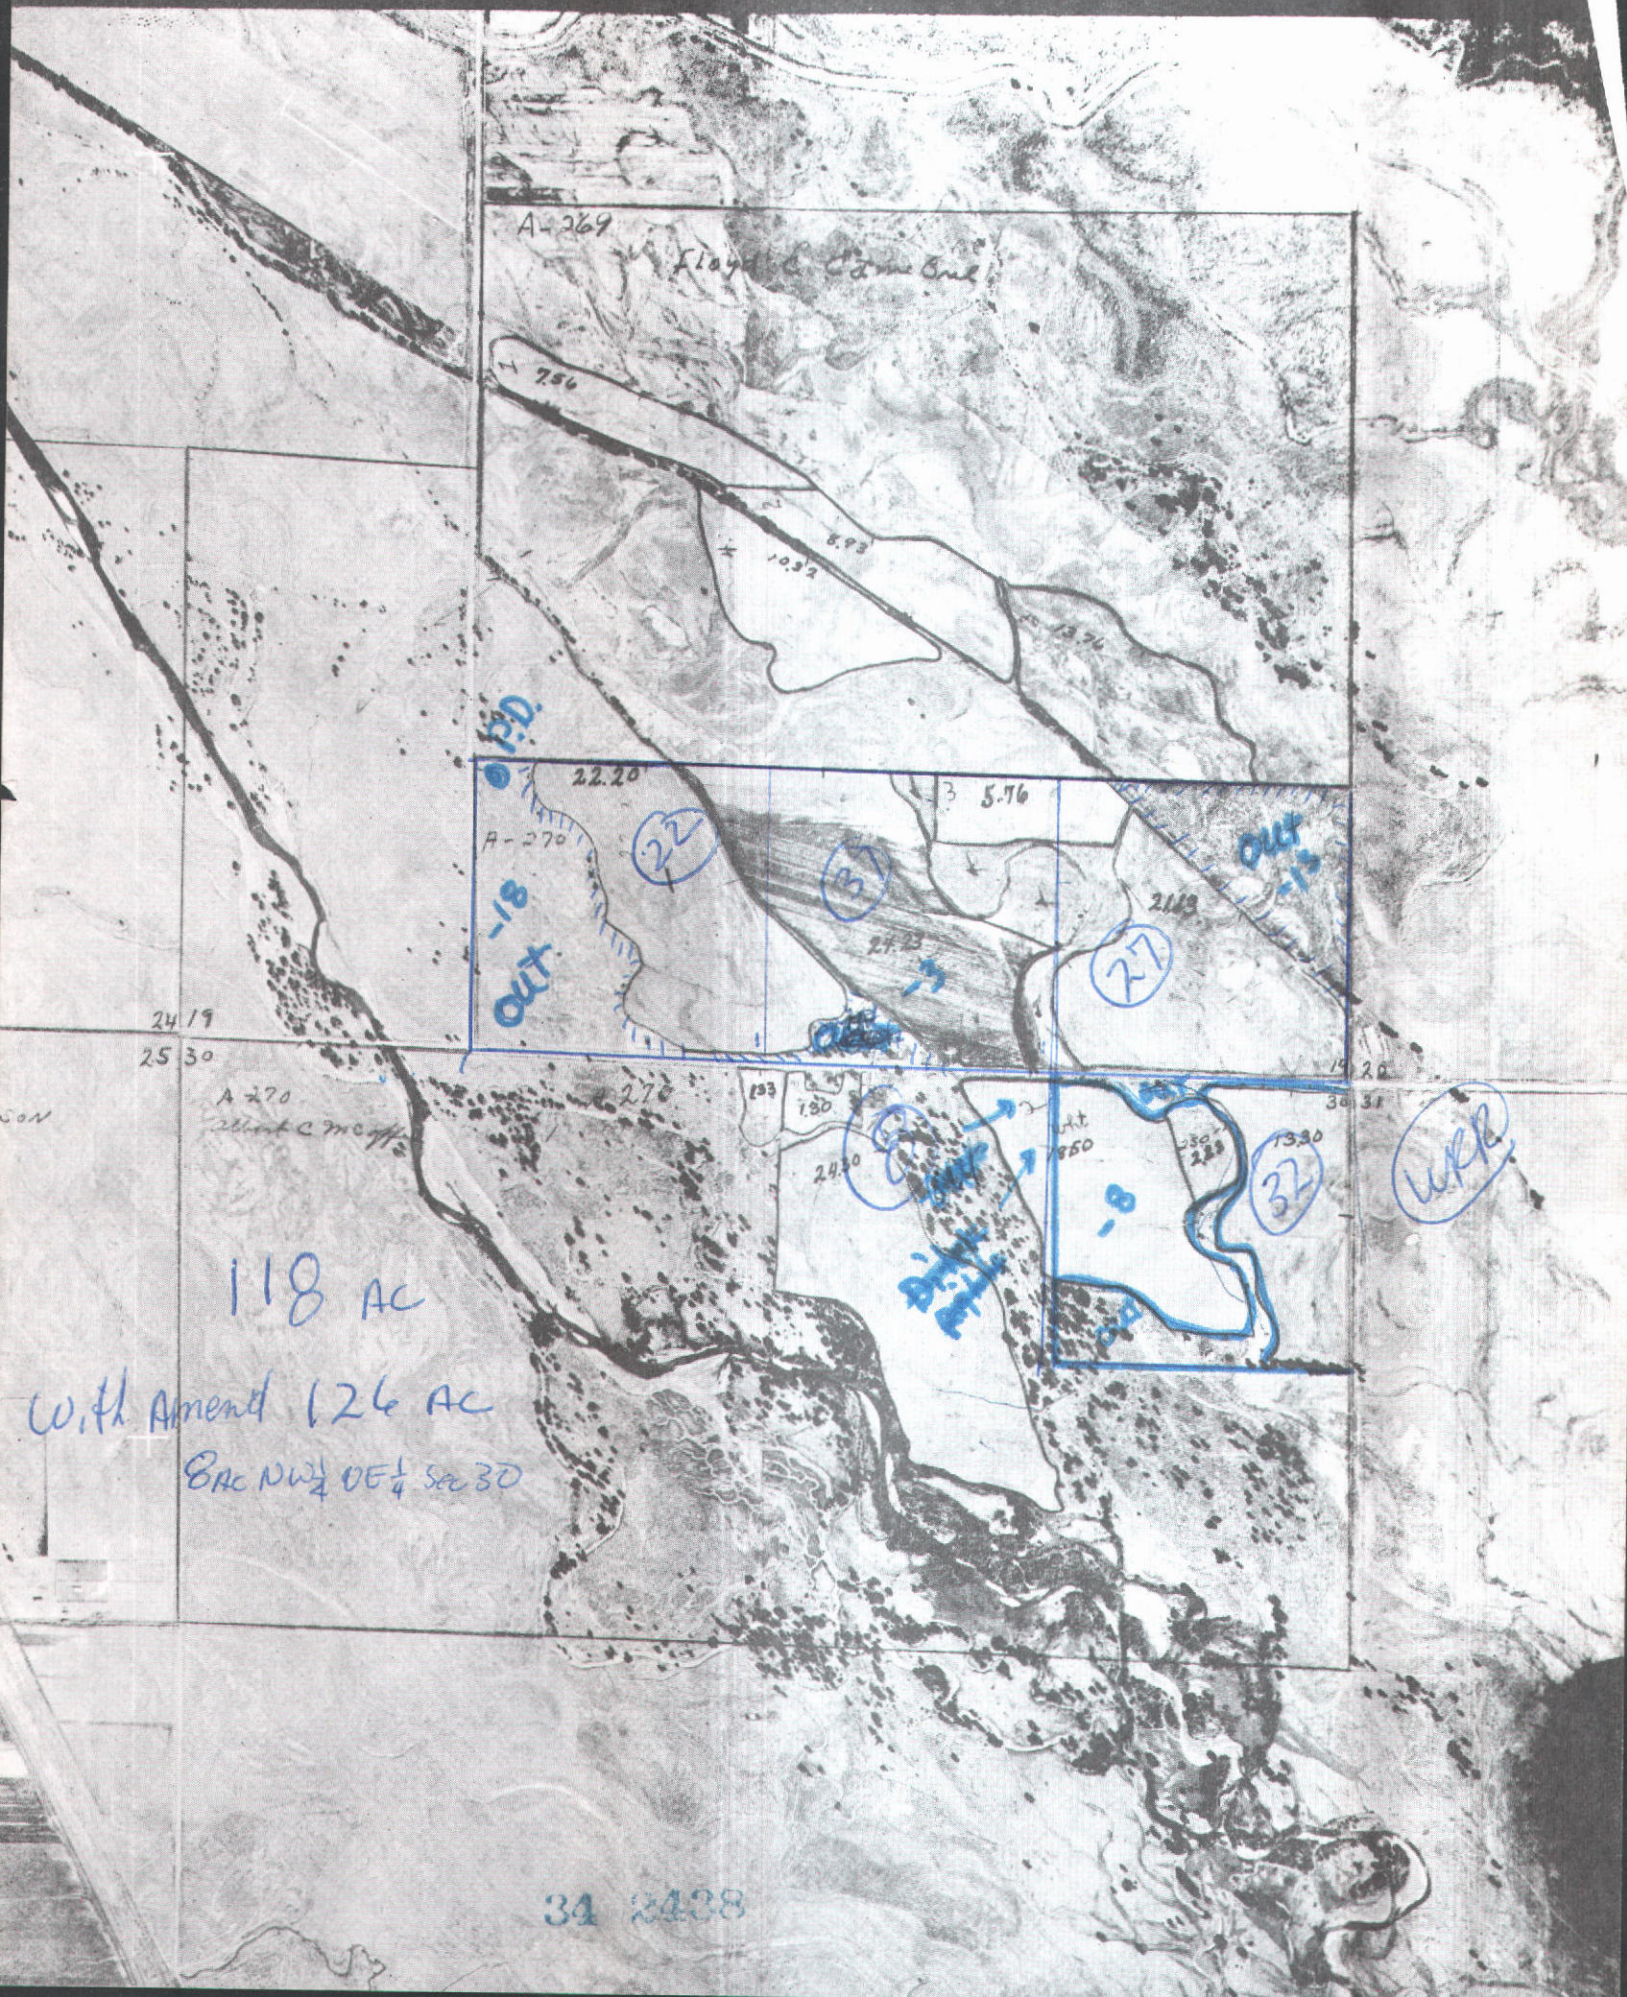

Point of diversion: SE $\frac{1}{4}$ SW $\frac{1}{4}$ Sec. 19, Twp. 6 N, Rge. 26 E, B.M.

Priority date established: September 13, 1961

You will note that the land found being irrigated differs from that listed under your permit. Our examiner's report indicates that there is 8 acres in the NW $\frac{1}{4}$ NE $\frac{1}{4}$ of Sec. 30, however, the permit only covers the NE $\frac{1}{4}$ NE $\frac{1}{4}$ in Sec. 30. The water license can be issued to cover the 8 acres if you will submit the application for amendment previously forwarded to you.

There is a \$10.00 filing fee required for the amendment and also a \$15.00 licensing fee due, therefore, we will need a total of \$25.00 and the signed amendment application before a water license can be issued.

RE: Permit No. 34-2438

Mr. Melvin C. McAfee
Darlington, Idaho 83231

Dear Mr. McAfee:

After the recent examination of your well and land for the completion of Proof of Beneficial Use it has become apparent that some of the land that you now have under irrigation is not listed under Permit No. 34-2438.

The aerial photo enclosed should clear up any problems. The red line indicates the boundary of the land not applied for under the permit. The dark heavy line indicates the boundary of the land originally applied for.

It is a simple matter to include the extra eight acres under Permit No. 34-2438. The necessary application for amendment has already been properly filled out, requiring only your signature and the statutory filing fee for amendments which is \$10.
