RE: Permit No. G-29594

Mr. Richard C. Rothwell
Leslie, Idaho

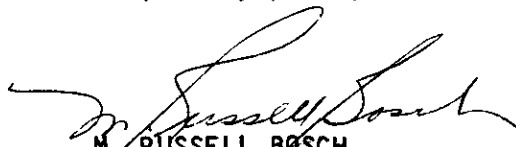

Dear Mr. Rothwell:

Returned herewith is your depositions of holder and witnesses and affidavit of publication for the above referenced permit. There is a discrepancy between the depositions and the permit.

Your depositions under question #4 list the point of diversion as SW $\frac{1}{4}$ NW $\frac{1}{4}$, Section 2, T 6 N., R 25 E., B.M. The permit state the point of diversion as the SE $\frac{1}{4}$ NW $\frac{1}{4}$, Section 2, T 6 N , R 25 E., B.M., as per amendment dated September 29, 1961. If the depositions are in error please correct them. However, if the permit is in error you must amend the point of diversion. We are enclosing forms for this purpose and in which case the fee would be \$1.00. Upon receipt of the amendment you would be required to re-advertise the permit and make new depositions of holder and witnesses at your own expense. Also please answer line #6 on the holders depositions.

Please make the necessary corrections and/or amendments and return all papers promptly.
