Dear Mr. Burch:

Returned herewith is your application for permit with attached check for \$5.00.

You show only 70 acres of land to be irrigated so the amount of water must be reduced to 70 miners inches or 1.4 cubic feet per second. The filing fee is \$5.00 for one cubic foot per second, plus \$0.25 for each additional cubic foot per second or fraction thereof. The fee for 70 miners inches is \$5.25.

You may include additional land if you desire, however, the amount claimed cannot exceed one miners inch or 1/50 cubic foot per second per acre of land.

Very truly yours,

GEO. N. CARTER
