Dear Mr. Archibald:

We received your letter of April 26th in regard to a well in NE¹/₄SE¹/₄, Sec. 1, T. 6 N., R. 25 E. We have no record of a well, or proposed well in that location.

Diversion of subterranean waters without a permit from this office has been legal prior to this time. The revised statutes now require a permit to excavate a well.

Priority obtained by virtue of a "Use Right" is the date of earliest use which can be proved in District Court. Priority obtained by application for permit through this office is dated from date the acceptable application is received in this office.

We have an application for a new loan from Ray Corgatelli of Darlington, Idaho. He advises that in addition to his rights from the Big Lost River he has drilled a deep well in the NE-1/4SE-1/4 of Section 1 Township 6 North Range 25 EBM.
