Dear Mr. Leavitt:

On September 20, 1957 we wrote you a letter stating " Upon receipt of the statutory fees, a total of \$17.00, we will issue the Certificate of Completion of Works (for which the fee is five dollars) and the License (twelve dollars--based at the rate of two dollars for each 40-acre subdivision) confirming the right with priority of February 7, 1955, to your use of 4.0 cubic feet per second of subterranean water with the point of diversion in the SW 1/4 of Section 26, for irrigation of 230 acres in the SW 1/4, SE 1/4 of Section 26, Township 8 North, Range 22 East, B.
