Dear Mr. Jones:

We acknowledge receipt of your letter of December 10 enclosing depositions of Robert W. Nelson and two witnesses in proof of completion of works and beneficial use on Permit No. G-24506.

None of these depositions state whether or not a pump has been installed and we return them in order that they may be completed in that respect. If a pump has been installed, please give the kind and power.

The affidavit of publication is also a necessary part of the proof and the Arco Advertiser was instructed to send this affidavit to Mr. Nelson.

Dear Mr. Nelson:

In reply to your letter of June 2 in regard to Permit No. G-24506:

Proof of Completion of Works and Beneficial Use are due on this Permit October 6, 1958, but if your well is completed and the pump installed and the land irrigated, these proofs may be made at any earlier date.

Before the proofs are made the law requires publication of a notice once a week for four weeks prior to the date set for proof. This notice should be made in duplicate on Form 36 enclosed setting the time and place and naming the Notary Public before whom the proofs are to be made.

The proofs may be made at Darlington or at any place convenient for you and your two witnesses and the time must be set far enough ahead to allow for four weeks publication.

Both copies of Form 36 to be returned to this Department together with Form 11 which is authorization for us to have the notice published at permit holder's expense in the designated county newspaper.

We shall then send a copy of the notice to the newspaper with instructions in regard to publishing and shall send you the forms of deposition to be executed by yourself and two witnesses in making these proofs.
