Dear Harry:

We are returning the application for transfer of water to you for a slight correction.

We assume that you made out this application for Mr. Quist, therefore, we are sending it back to you for the purpose of checking the land described on the bottom of page one checked in red. It does not agree with the sketch map on the back of the application.

The NW $\frac{1}{4}$ of the SW $\frac{1}{4}$ of Section 8 is included in the first part of your land description, therefore, we assume by the map that it should be the NE $\frac{1}{4}$ of the SE $\frac{1}{4}$ of Section 8.

You show Section 9 in the sketch map while in the application you show Section 17.

Please correct and return to this Department as soon as possible as the writer has been delayed in getting this application published.

Dear Mr. Walker:-

Upon my return from Boise, I find applications for transfer of water right, of Geo. E. However if I understood you correctly you could except that part.

I find that the balance of the 1885 water right decreed to the NW $\frac{1}{4}$ Sec. 8, of 1.2 Sec. ft. was transferred by right No. 407, dated Aug. 27, 1927. Transfer made in the name of the Scottish American Mortgage Co.

Hon. R.W. Faris,
Commissioner of Reclamation
Boise, Idaho

Dear Mr. Faris:

About a week or ten days ago, Mr. George E. Walker filed in you office two applications for transfer of water rights. One application asked for the transfer of 1.6 second feet of the water of Big Lost River from the land upon which it is used, i.e.

East half of the Southeast Quarter ($E\frac{1}{2} SE\frac{1}{4}$) Section six (6), Township three (3) North, Range twenty-seven (27) East B.M.,

to the following described land

Northwest quarter ($NW\frac{1}{4}$) of Section eight (8), Township three (3) North, Range twenty-seven (27) East B.M.,

Through an error the land therein described as the $NW\frac{1}{4}$ sec. 8, is incorrect. It was intended to transfer said water to the $S\frac{1}{2}$ of the $NW\frac{1}{4}$ Sec. 8, Twp. 3 N.R., 27 E.B.M., in other words the application should read, " to transfer 1.6 second feet of the water from Big Lost River from the land upon which it is used, i.e

$E\frac{1}{2}$ of the $SE\frac{1}{4}$ of section 6 Twp. 3 N. R 27 E.B. M.,

to the following described tract of land

$S\frac{1}{2}$ of the $NW\frac{1}{4}$ Sec. 8, Twp. 3 N. R. 27 E.B.M.,

The Notice of proposed transfer of water right was published in the Arco Advertiser Nov. 22, and hearing set on the 7th day of December, 1935, at 11:00 a. m., at Boise, Idaho.

Mr. Walker desires, if possible, to amended application to correctly described land water is to be transferred to, or if necessary to file a new application.

Kindly let me hear from you regarding matter, an oblige.
