If the first half is not paid on or before December 20, that half becomes delinquent and a 2% penalty must be added. Interest on the delinquent tax and penalty is calculated at the rate of 1% per month beginning January 1 of the following year. If the first half tax has been paid in part, penalty and interest are calculated on the remaining first half tax. If the second half is not paid on or before June 20, that half becomes delinquent and a 2% penalty must be added. If the first half is not paid on or before December 20, that half becomes delinquent and the **entire tax becomes due and payable**. A 2% penalty must be added to the delinquent half. Interest is calculated at the rate of 1% per month beginning January 1 of the following year on the delinquent half and penalty. If the first half was paid in part, penalty and interest are calculated on the unpaid portion of the first half. If the second half is not paid on or before June 20, that half becomes delinquent and a 2% penalty must be added. Interest on the delinquent tax and penalty is calculated at the rate of 1% per month beginning January 1 of that year. If the second half has been paid in part, penalty and interest are calculated on the remaining tax.

The county tax collector may issue a demand for payment on any personal, manufactured housing, or subsequent tax which becomes due and payable on the demand date. If the tax is not paid, it becomes delinquent the day following the demand date

Responding to Preliminary Orders Issued by the Idaho Department of Water Resources

The Idaho Department of Water Resources (Department) issues water right permits, licenses, and transfers as preliminary orders pursuant to section 67-5243, Idaho Code. **A preliminary order can and will become a final order without further action of the department unless a party petitions for reconsideration or files an exception and/or brief as further described below:**

PETITION FOR RECONSIDERATION

Any party may file a petition for reconsideration of a preliminary order with the Department within fourteen (14) days of the service date of the order. The Department will act on a petition for reconsideration within twenty-one (21) days of its receipt, or the petition will be considered denied by operation of law. See section 67-5243(3), Idaho Code.

EXCEPTIONS AND BRIEFS

Within twenty-one (21) days after (a) the service date of a preliminary order, (b) the service date of a denial of a petition for reconsideration from this preliminary order, or (c) the failure within twenty-one (21) days to grant or deny a petition for reconsideration from a preliminary order, any party may in writing support or take exceptions to any part of a preliminary order and may file briefs in support of the party's position on any issue in the proceeding. Otherwise, a preliminary order will become a final order of the Department.

If any party appeals or takes exceptions to a preliminary order, opposing parties shall have twenty-one (21) days to respond to any party's appeal. Written briefs in support of or taking exceptions to the preliminary order shall be filed with the Department. The Department retains the right to review the preliminary order on its own motion.

ORAL ARGUMENT

If the Department grants a petition to review a preliminary order, the Department shall allow all parties an opportunity to file briefs in support of or taking exceptions to the preliminary order and may schedule oral argument in the matter before issuing a final order. If oral arguments are to be heard, the Department will within a reasonable time period notify each party of the place, date and hour for the argument of the case. Unless the Department orders otherwise, all oral arguments will be heard in Boise, Idaho.

CERTIFICATE OF SERVICE

All exceptions, briefs, requests for oral argument and any other matters filed with the Department in connection with a preliminary order shall be served on all other parties to the proceedings in accordance with Rules of Procedure 302 and 303.

FINAL ORDER

The Department will issue a final order within fifty-six (56) days of receipt of the written briefs, oral argument or response to briefs, whichever is later, unless waived by the parties or for good cause shown. The Department may remand the matter for further evidentiary hearings if further factual development of the record is necessary before issuing a final order. The department will serve a copy of the final order on all parties of record.

Section 67-5246(5), Idaho Code, provides as follows:

Unless a different date is stated in a final order, the order is effective fourteen (14) days after its issuance if a party has not filed a petition for reconsideration. If a party has filed a petition for reconsideration with the agency head, the final order becomes effective when:

- (a) the petition for reconsideration is disposed of; or
- (b) the petition is deemed denied because the agency head did not dispose of the petition within twenty-one (21) days.

APPEAL OF FINAL ORDER TO DISTRICT COURT

Pursuant to sections 67-5270 and 67-5272, Idaho Code, if this preliminary order becomes final, any party aggrieved by the final order or orders previously issued in this case may appeal the final order and all previously issued orders in this case to district court by filing a petition in the district court of the county in which:

- i. A hearing was held,
- ii. The final agency action was taken,
- iii. The party seeking review of the order resides, or
- iv. The real property or personal property that was the subject of the agency action is located.

The appeal must be filed within twenty-eight (28) days of this preliminary order becoming final. See section 67-5273, Idaho Code. The filing of an appeal to district court does not itself stay the effectiveness or enforcement of the order under appeal.

MEMORANDUM

TO: FILES 34-00097, 34-00099, 34-10250

FROM: PAM SKAGGS/STATE OFFICE

SUBJECT: TRANSFER 4701

DATE: January 23, 1998

=====

Transfer 4701 changes the place of use under Rights 34-00097, 34-00099, 34-10250. Companion Transfer 4700 changes the place of use under groundwater Right 34-07140 that partially overlaps the same 345 acre place of use.

The transfers were filed in an effort to remove the rights from BLM land and resolve problems with the recommendations of the SRBA. Earlier review was not possible due to recommendations of these decreed rights including expansion statutes. Carter Fritschle recently notified me that the transfer could now be processed using the reformatted "R" records and requested that we proceed to resolve the BLM land issue.

The decreed rights are recommended with a non-standard season and standard diversion volumes were identified. Recommended conditions include watermaster control, multiple points of diversion/measuring devices & lockable controlling works, irrigation overlap, combined right limits, permissible place of use, conveyance losses, right-of-way and standard transfer conditions.

Dear Applicants:

The Department of Water Resources acknowledges receipt of your water right application. This office is currently in the process of advertising the application in the Challis Messenger on September 7 & 14, 1995. The advertisement will be published for two consecutive weeks, and a period of ten days following the second publication will be allowed for the submittal of protests.

If the application is protested, you will be sent a copy of the protest. The protest must be resolved before the application is approved or denied. If the protest is not resolved voluntarily, this Department will conduct a conference and/or hearing on the matter.

If the application is not protested, it will be forwarded to our State Office in about five weeks. State Office Personnel will conduct a complete review prior to final processing of the applications and will notify you of the outcome of this review. When a permit is issued, you will be sent a copy. A typical processing time for an unprotested application is about eight weeks.

Please feel free to contact this office if you have any questions regarding this procedure.

Sincerely,

Harold W. Jones
