Re Permit 13332.

Mr. Orville L. McVicker,
Dubois, Idaho.

Dear Sir:--

Replying to yours of the 16th inst. would say, if you have the works of diversion completed by November 30th, you will be in time to make your proof. However, if this will not be convenient for you, you may make application for extension of time for completion of works upon the enclosed form. This will automatically extend the time for the beneficial use of water.

In order to make final proof on the water, it will be necessary to have the land under cultivation and irrigation. License will be issued for the amount so irrigated, allowing an inch to the acre. Notice of this proof is required to be published four weeks prior to the date of making the proof.

Very truly yours,

FRED A. ILKIE,

State Engineer.

Dear Sir Yours
of Aug 12th 1908 Recd
will say in reply,
concerning my water
permit. I Orville W.
Mcicker have fenced
and cleaned out the
Spring and started
the head of the ditch
As I just homesteaded
my claim the same
time I filed another
water and couldn't
produce much the
first year, these critical
times I thought I had

Better work for a
producer and would
be of more benefit
to my country.
and if possible do
my water work
out ~~of~~ my spare ~~time~~^{time}
time. which I am
doing. But will have
to ask for nearly
the ~~limited~~ time
I will have the
work completed
between Sept 20th and
Sept 25th 1918. So
that I can truthfully
fill out the blank
papers you have
mailed me Aug 12 1918

and I wear to them
and forward same
at once to you.

I would like to have
information in
regard to last proof.

I sincerely hope you
this will be satisfactory

INSTRUCTIONS
PROOF OF COMPLETION OF WORKS

Erville J. McVicker
Boise, Id.

Boise, Idaho, Apr 12 1918

Dear Sir:—

Under the terms of your Permit No. 13332, you are required to complete your diversion works on or before Nov. 30, 1918. I enclose herewith blank affidavit to be filled out, sworn to by you before a Notary Public or a Justice of the Peace, and returned to this office on or before the above date, or within ten days thereafter, for the purpose of making proof of completion under the permit. Upon receipt of this affidavit in this office, provided the same satisfactorily shows the completion of the works substantially in accordance with the terms of the permit, together with a fee of \$5.00, a Certificate of Completion will be issued to you.

The certificate to be issued under this proof will not give a perpetual right to the use of water for which application was made, as it only confirms the completion of works of a capacity to divert and convey to the place of intended use a certain amount of water. The law requires that another proof be submitted when the water has been fully applied to a beneficial use, at which time license is issued for the amount of water actually in use. Information in regard to this last proof will be furnished on request.

Yours truly,

~~L. H. SMITH,~~
