Remarks: GEN The use of water on the lands to which the above referenced water right was appurtenant is hereby abandoned and failure to put the water to beneficial use within five (5) years of the date of the approval of this transfer on the new land identified under item B.5 shall constitute loss or forfeiture of the water right. The director retains jurisdiction of this transfer up to five (5) years for the purpose of determining potential injury to existing rights, both junior and senior, in the vicinity of the transferred point of diversion. A transfer application shall be filed with the Department before the water right can revert back to the original place of use and point of diversion and a new water right approved before use can continue at the new point of diversion and place of use.
