RE: Application for Permit 37-21339

Dear Mr. Bowler,

The Department needs some additional information in order to process your permit. To clarify the requested uses, please answer the following questions:

Is the domestic use for in-house only or does it include irrigation?

Are there any overlapping domestic and/or other rights for the same place of use?

What is the aesthetic use? Pond? Do you intend to divert the stream?

Is 0.09 cfs justified? (If the aesthetic use is not justified, we will recommend it be subordinated to other rights, present and future.)

Please respond to this request as soon as possible so we may continue to process the permit. Feel free to call the office if you have any questions.

Sincerely,

Jeanie Robertson
Sr. Water Resource Agent
