Re: Application(s) for Transfer Nos. 71229 - Bedke

Gentlemen:

Enclosed is a copy of an Application for Transfer of a Water Right within your District, and Watermaster's Recommendation Form(s).

Section 42-222 of the IDAHO CODE requires that the watermaster must be advised of proposed changes in water rights in the water district and must notify the Department of his recommendation on the application.

Please complete the enclosed recommendation form(s) and return to this office within 21 days of the date of this letter. Regional review of unprotested applications can be completed as soon as the final protest period is past; your prompt response to this request is appreciated so that your recommendation can be considered during regional review.

If after 21 days from the date of this letter the department has not received your written recommendation, the department will presume you do not oppose approval of the application and you have no comments for the department to consider.

If you have any questions about an application, please contact this office or the applicant.

Very truly yours,

Mary A. Baldwin
Administrative Assistant
