Re: Proof of Beneficial Use for Permit No. 63-12092
Our File No. 5142-10

Dear Debbie:

Enclosed please find an original and one copy of Wilson Properties L.P.'s Proof of Beneficial Use together with a check in the amount of \$125.00 to cover the license examiner costs. Please stamp the copy as received by your office and return it to our office in the enclosed self-addressed, stamped envelope.

~~Wilson Properties is anxious to have this examination completed and a license issued to confirm the extent of beneficial use under this permit as soon as possible.~~ In spite of the development of this permit, Wilson Properties still experiences water shortages and may have an opportunity now to purchase and transfer an existing right to help meet it's needs, but the quantity it might need to acquire will depend in part on the quantity confirmed by the examiner and license here. ~~If the Department is not able to schedule a field exam within the next thirty days, I would appreciate your notifying me of that fact, and I will contact my client to see if it wishes to hire the field examiner itself.~~

Thank you in advance for your prompt attention to this matter.

Sincerely,

Michael C. Creamer
