

STATE OF IDAHO
DEPARTMENT OF WATER RESOURCES

Dear Lori,

I am sending this letter to request your consideration in expediting the water right transfer on Ray Obendorf's property. It is essential that we receive an answer as soon as possible because the farm property is leased and we need to decide who will lease it and what crops will be raised. We cannot make a decision until we have an answer on the status of the transfer. I would sincerely appreciate your consideration of this matter as soon as possible. Thank you very much for your time and effort.

Sincerely,
