Dear Mr. Field:

As you are aware, the water right(s) referenced above is currently leased to the Water Supply Bank ("bank"). Enclosed is a copy of the Internal Revenue Service Request for Taxpayer Identification and Certification, Form W-9. The department is required to file an information return with the Internal Revenue Service ("IRS") for all payments issued to for water rented from the bank. Payments for the rental of a water right or a part thereof cannot be issued to the lessor unless the department has received a completed IRS W-9 form.

Additionally, documentation of authority to receive payment must be submitted if the name provided on the W-9 form does not match the name of the lessor. The address associated with the water right leased to the bank will be updated in the department database to the address provided on the W-9 form unless otherwise requested by the lessor. If you no longer have an interest in the water right, please contact the department.
