Dear Sir:

This letter is in response to water right transfer #37-10223. I am applying for an extension of time to use this water right. The reason is that I feed holstein heifers for one of Adrian Boer's dairies and was anticipating expansion for the dairy that is under construction after several delays.

The Boer's are planning to start around 1/1/2005. The heifers go to their calf ranch for the first five months, so, I would start using the water right about 6/1/2005. Thank you.

Signed:

Ellis Gooch
