Re: Application for Amendment of Permit No. 45-13411

Dear Mr. Stone:

The Department of Water Resources acknowledges receipt of the application for amendment of a permit on behalf of the City of Burley as referenced above.

This office has scheduled advertising the application in the **South Idaho Press on 10/14 & 10/21/04**. A period of ten days following the second publication will be allowed for the submittal of protests. (November 1, 2004)

If the application is protested you will be sent a copy of the protest. The protest must be resolved before the application is approved or denied. If the protest is not resolved voluntarily, this Department will conduct a conference and/or hearing on the matter.

If the application is not protested, it will be forwarded to our State Office in about five weeks. State office personnel will conduct a complete review prior to final processing of the application and will notify you of the outcome of this review. A typical processing time for an unopposed application is about eight weeks.

Please feel free to contact this office if you have any questions regarding this procedure.

Sincerely,

Mary A. Baldwin
Administrative Assistant I
