RE: Change of Ownership for Water Right 65-7085

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water right to reflect your name change due to a remarriage. The department has modified its records to reflect the change and has enclosed a computer-generated report for your records.

Since there is no filing fee required for a name change to a water right, we are requesting a refund of receipt # W029472 in the amount of \$25.00. The refund will be mailed to you at the above address.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Jeff Peppersack, Manager
Water Right Permits Section
