PROPOSED CHANGE OF WATER RIGHT

Beranna Dairy of 9166 Perch Ave, Caldwell ID 83607 filed application no. 71280 with IDWR to transfer eight water rights with 1950 to 1984 priority dates from ground water totaling 12.83 cfs. The purpose of the transfer is to list all the existing wells on each right along with a permissible place of use for irrigation to reflect a combined water delivery system. Three of the rights are used for the dairy and are being clarified but there is no increase in dairy size proposed. The site is located one mile north of Pickles Butte, south of Lake Lowell.

For specific details regarding the application, please contact IDWR Western Region at 208-334-2190 or visit www.idwr.state.id.us with detail provided under "new water right applications". Protests may be submitted based on the criteria of Sec 42-222, Idaho Code. Any protest against the proposed change must be filed with the Department of Water Resources, Western Region, 2735 Airport Wy, Boise ID 83705-5082 together with a protest fee of \$25.00 for each application on or before December 6, 2004.
