Partial Decrees were previously issued for the above rights on September 16, 2004. The *Partial Decrees* were issued in accordance with a *Special Master's Report and Recommendation* issued on June 30, 2004. The *Special Master's Report* was issued after *Standard Form 5* forms were filed. The *SF5* forms contained a place of use description that stated "The Range 24 East Listed Above Is Actually 24 ½ East." This description was not transferred to the *Master's Recommendations* nor the *Partial Decrees*. After reviewing the file and the *SF5* forms, the Court has determined that the omissions in the place of use descriptions were the result of clerical errors.

Therefore, IT IS ORDERED, that the above subcases are hereby **amended and decreed** as set forth in the attached *Amended Partial Decrees* Pursuant to I.R.C.P. 60(a).
