Dear Allen:

Enclosed are four copies of mapping that shows the area of usage of subject water. This is meant to indicate usage within boundaries shown for (1) the City of Bonners Ferry, (2) South Hill Water and Sewer District, and (3) Nothside Water District. These District's are currently wholesale customers of the City, subject to acquisition by the City at some future time not yet defined.

If there are questions or more information needed, please just let me know.

Very truly yours,

Mike Woodward
